INDEPENDENT AUDITORS' REPORT

To the Board of Directors Heritage Christian University Florence, Alabama 35630

We have audited the accompanying statement of financial position of Heritage Christian University, a non profit organization, as of June 30, 2005 and June 30, 2004, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of Management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Heritage Christian University as of June 30, 2005 and June 30, 2004, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated September 1, 2005, on our consideration of Heritage Christian University's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of reporting on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

Our audit was performed for the purpose of forming an opinion on the basic financial statements of Heritage Christian University taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Nonprofit

Organizations, and is not a required part of the basic financial statements. The supplemental schedules on pages 22-34 are also not a required part of the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors Heritage Christian University Florence, Alabama 35630

We have audited the financial statements of Heritage Christian University, a nonprofit organization, as of and for the year ended June 30, 2005, and June 30, 2004, and have issued our report thereon dated September 1, 2005. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Heritage Christian University's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide an opinion on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Heritage Christian University's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and

accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the board members, management, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

To the Board of Directors Heritage Christian University Florence, Alabama 35630

Compliance

We have audited the compliance of Heritage Christian University, a nonprofit organization, with the types of compliance requirements described in the "U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement" that are applicable to each of its major federal programs for the year ended June 30, 2005. Heritage Christian University's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of Heritage Christian University's management. Our responsibility is to express an opinion on Heritage Christian University's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations." Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Heritage Christian University's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of Heritage Christian University's compliance with those requirements.

In our opinion, Heritage Christian University complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended June 30, 2005.

Internal Control Over Compliance

The management of Heritage Christian University is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered

Heritage Christian University's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on the internal control over compliance in accordance with OMB Circular A-133.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts, and grants caused by error or fraud that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses.

This report is intended solely for the information and use of the board members, management, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

1. DESCRIPTION OF ORGANIZATION:

Heritage Christian University is a nonprofit corporation offering a four-year program leading to the Bachelor of Arts in Bible. The school also offers a Master's Degree in Bible. The mission of the college is to recruit, train, and encourage faithful men and women for evangelistic ministry as servants and leaders in the Churches of Christ. Special emphasis is placed on preparing a church leadership with an international perspective. In a letter dated September 6, 1972, the Internal Revenue Service stated that International Bible College (now Heritage Christian University) is exempt from Federal income taxes under the provisions of Internal Revenue Code Section 501(c)(3).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Effective July 1, 1995, the University became subject to the provisions of Statement of Financial Accounting Standards (SFAS) No. 117, "Financial Statements of Not-for-Profit Organizations." Under SFAS No. 117, the University is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions.

- A. Permanently restricted net assets--Net assets subject to donor-imposed restrictions that they be maintained permanently by the University. Generally, the donors of these assets permit the institution to use all or part of the income earned on related investments for general or specific purposes.
- B. Temporarily restricted net assets--Net assets subject to donor-imposed stipulations that may or will be met by actions of the University and/or the passage of time.
- C. Unrestricted net assets--Net assets not subject to donor-imposed stipulations.

Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or by law. Expirations of temporary restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets.

CONTRIBUTIONS

Effective also at July 1, 1995, the University became subject to SFAS No. 116, "Accounting for Contributions Received and Contributions Made." Under this statement, contributions, including unconditional promises to give, are recognized in the period received. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met. Contributions of assets other than cash are recorded at their estimated fair value. Contributions to be received after one year are discounted at an appropriate discount rate commensurate with the risks involved. Amortization of discount is recorded as additional contribution revenue. An allowance for uncollectible contributions is provided based upon management's judgment, including such factors as prior collection history, type of contribution, and nature of fund-raising activity.

INVESTMENTS

Under SFAS No. 124, "Accounting for Certain Investments Held by Not-for-Profit Organizations," investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the Statement of Financial Position. Unrealized gains and losses are included in the change in net assets.

Income and realized net gains on investments of endowment and similar funds are reported as follows:

- A. As increases in permanently restricted net assets if the terms of the gift or the University Board's interpretation of relevant state law require that they be added to the principal of a permanent endowment fund.
- B. As increases in temporarily restricted net assets if the terms of the gift impose restrictions on the use of income.
- C. As increases in unrestricted net assets in all other areas.

TEMPORARILY RESTRICTED NET ASSETS

With respect to temporarily restricted net assets, the University has adopted the following optional accounting policies as permitted by various provisions of SFAS No. 116.

- A. The University has adopted the provisions of SFAS No. 116 concerning release from restrictions on temporarily restricted net assets upon incurrence of an expense when both unrestricted and temporarily restricted net assets are available for that purpose.
- B. Contributions received with donor-imposed restrictions that are met in the same year as received are reported as revenues of the unrestricted net asset class.

- C. Contributions of land, buildings, and equipment without donor stipulations concerning the use of such long-lived assets are reported as revenues of the unrestricted net asset class. Contributions of cash or other assets to be used to acquire land, buildings, and equipment without such donor restrictions are reported as revenues of the temporarily restricted net asset class; the restrictions are considered to be released at the time of acquisition of such long-lived assets.
- D. Contributions of works of art, historical treasures, and similar assets held as part of a collection--for education, research, or public exhibition rather than for sale--are recognized as revenue at their estimated fair value at the date of receipt based upon appraisals or similar valuations. Contributions of such items not held as part of a collection are recognized at their estimated fair value at the date of receipt based upon appraisal or similar valuations. Purchased works of art, historical treasures and similar assets, whether or not held as a collection, are capitalized. (No contributions of this nature have been received, and no purchases of such items have been made, as of the date of this report.)

OTHER SIGNIFICANT ACCOUNTING POLICIES

Other significant accounting policies are set forth in the financial statements and the notes thereto.

The pooled investment fund was initiated on September 30, 1993. Assets of the fund are pooled on a market value basis, with each individual fund subscribing to or disposing of units on the basis of the value per unit at market value at the beginning of the month within which the transaction takes place.

10. LAND, BUILDINGS, AND EQUIPMENT:

Physical plant and equipment are recorded at cost, in the case of purchase or construction; and at fair market value as of the date of acquisition, in the case of gift or inheritance. Management's policy is to capitalize expenditures in excess of \$200.00.

Effective as of June 30, 1991, library books, periodicals, and other materials were re-valued annually on the basis of standard costs applied by a method recommended by the National Association of College and University Business Officers. This method was discontinued at June 30, 1997, and effective for acquisitions subsequent to June 30, 1995, valuation is at cost, including estimated processing expense.

Following is summary of fixed assets reflecting cost, accumulated depreciation, and unrecovered cost as of June 30, 2005:

INDEPENDENT AUDITORS' REPORT ON SUPPLEMENTARY DATA

To the Board of Directors Heritage Christian University Florence, Alabama

Our report on our audit of the financial statements of Heritage Christian University for the year ended June 30, 2005, appears on page 2. We conducted our audit in accordance with auditing standards generally accepted in the United States of America for the purpose of forming an opinion on the financial statements taken as a whole. The supplementary data (Schedules), as detailed in the table of contents, is presented for the purposes of additional analysis and is not a required part of the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and , in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

We also have previously audited, in accordance with generally accepted auditing standards, the financial statements of Heritage Christian University as of June 30, 2004, and the related statements of activities and cash flows for the period ending June 30, 2004, and we expressed an unqualified opinion on the financial statements. In our opinion, the supplementary data is fairly stated in all material respects in relation to the basic financial statements from which it has been derived.
